“Three Skeleton Key” Literary Terms Assessment

This assessment will demonstrate your knowledge of the 22 literary terms we have been studying. You will be using the story, “Three Skeleton Key” to create your examples that will demonstrate your understanding. Follow the directions below to success!

**DIRECTIONS:**

- You will need your literary terms packet that we filled in at the beginning of the year and used to create examples of the terms from the story Duffy’s Jacket.
- Three of the terms in the original packet will not be used. One term that you will not use is **point of view**. The others will be two of these three terms: omniscient point of view, first person point of view, third person point of view.
- You will need to determine what point of view is used to tell the story, “Three Skeleton Key” and you will create an example for it. (The story 3SK is told in the __________________________ point of view.)
- You will not do the remaining two points of view. Write the three terms you will NOT use in your project here:
  1. ____ Point of View ____________________________
  2. ____________________________________________
  3. ____________________________________________
- You will use all of the remaining 19 terms in your project.

**You will have three choices for the format of the project.**

**CHOICE #1: LITERARY TERMS FLASH CARDS**

- You will need twenty-five 3 X 5 index cards. Nineteen of them will be used for the terms. The rest are extra in case you need them.
- On the front of each index card will be a literary term spelled correctly.
- Also on the front will be a **colored** illustration that demonstrates or is an example of that term. **THE EXAMPLE MUST BE FROM THE STORY THREE SKELETON KEY.**

(Do not use clipart for the Literary Terms Flash Cards!  
This is for an example of the organization of the card ONLY.  
If you wish to use clipart in your project, then choose one of the other two formats.)
• The back of the card will have a written example of the term or an explanation of your illustration that demonstrates that term. YOU ARE NOT WRITING THE DEFINITION FOUND IN YOUR PACKETS!

In the story *Three Skeleton Key*, the rats that invaded the island and threatened the lives of the men were the main conflict.

• Also on the back of each card on the bottom will be YOUR first and last name in case any of your cards becomes separated from one another.

• One card will be your title card. The name of the project, your first and last name and your hour should be on this card and it will be the card on top when you turn in your project.

CHOICE #2: POWERPOINT LITERARY TERMS CARDS

• You will need to create 20 slides for a PowerPoint presentation. Your project MUST contain the following information:
  ➢ The first slide should be your title slide, complete with title, your name, date, and hour.
  ➢ Each of the other slides will contain the name of the term, an example of that term from “*Three Skeleton Key*” and a visual that represents that term.
  ➢ Your slides should have background, color, and transitions from slide to slide.

CHOICE #3: GLOGSTER POSTER

• Using the website [http://edu.glogster.com/](http://edu.glogster.com/) you will create a poster for your literary terms. If you cannot fit all of the terms on one poster, then you may create a second poster with the rest of the terms.

• Your poster will have 20 squares. Each square MUST contain the following information.
  ➢ The first square should contain your title, your name, date, and hour.
  ➢ Each of the other squares will contain the name of the term, an example of that term from “*Three Skeleton Key*” and a visual that represents that term.
  ➢ Your poster should have background and color.

** Some class time will be given to work on this, but the remainder of the project will be done at home. Plan your time out wisely, so your assessment is completed by the due date.
